## Saluting Employees

### Chairman's Olympic Fitness Challenge: First Quarter

The first quarter of the FY 2012 Chairman's Olympic Fitness Challenge, Training for Gold, was a great success. The first quarter's activities were designed to improve employees' physical fitness and encourage team participation, with Administrative Leave being awarded to members of the top three teams in each divisional category who fulfilled the 100% participation requirement. Congratulations to the Gold, Silver and Bronze winners!

|                                                       | Gold                                                     | Silver                                                                        | Bronze                                                                         |
